2. "I answered your eighth question to suply to a question asked me at conference the other-day.

since been made.

10. The committee to prepare plans CARRANZA ASKS U. S. League and for the proceedings of the first meeting of the Assembly has been appointed, but has not reported.

If "Article 118 of the Peace Treaty, Part IV, under which Germany remounces all her rights to territory formariy belonging to herself of the her allies, was understood, so far as special provision was not made in the treaty liself for its disposition, as centituting the principal allied and associated powers, the authority by which such disposition should ultimately be determined. If conveys no title to these powers but married in the disposition of the territory in question te their decision.

12. "Germany's renunciation in favor of the principal allied and associates, powers of her rights and titles to her overseas possessions is meant signilarly to operate as vesting in those gowers a trusteaship with respect to their final disposition and gyernment. establishment of the seat of the

ROVISIONAL AGREEMENTS ON GERMAN OVERSEAS POSSESSIONS.

Al. There has been a provisional agreement as to the disposition of these oversees possessions, whose confirmation and expension is described upon the approval of the league of Nations and the United Rates is a party to that provisional greement.

14. The only agreement between tance and Great Britain with regard to African territory of which I m cognisant concerns the re disposions of rights already possessed by lose countries on that continent. The

the preceding paragraph covers all the German overseas possessions in Africa as well as elsewhere.

18. "No mention was made in consection with the settlement of the base Basis of the service of an Americas member of the commission of five to be sent there.

18. "It was deemed wise that the United States should be represented."

19. "It was deemed wise that the pursuit is continuing over mountain peaks, down steep slopes and

by one member of the commission for settling the new frontier line of Bel-gium and Germany because of the universal opinion that America's rep-resentative would add to the com-mission a useful element of entirely WHY SAAR BASIN IS TO BE CON-

TROLLED BY LEAGUE. M. The choice of the Commission for the Saar Rasin was left to the Council of the League of Nations betatise the Saar Basin is fer fifteen rears to be directly under the care and direction of the League of Nations

and direction of the League of Nations.

"18. Article \$3 does in effect provide
that five of the members of the commission of seven to fix upon the
boundaries between Poland sid Checho-Slovakia should be nominated by
the countries, because our five
principal Allies and Associated Powers
and the nomination of five representatives by those powers necessarily
mans the nomination of me representative by each of those powers.

15.—No such commission (reforring
to 15) has yet been appointed.

20—If was deemed wise that the
United States should have a representative on the commission set up to
exercise authority over the plebisoite
of Upper fillesis, for the same reason that I have given with regard to
the commission for settling the fremtier lines of Belgium and Germany.

had a bad run of trouble, taking six strokes on the tenth. 7 on the elevanth CASES TO PROTECT SOLDIERS and 8 on the long twelfth. These three holes were a fine exhibition how the game should not be played. Jones, however, came back quickly and captured the short thirteenth when the Committee on Rent Profiteering, has western hope missed the green on his tee shot. Jones, hanging grimly on, wen the fifteenth, Knopper here landed in two traps needing five to reach Railors' Act. The cases are as follows: the green. Poor putting cost Knepper the sixteenth and Jones flashed to the geod Broadway, owned by Joseph lead. It was promptly kicked away Schenck; complainant, M. A. Lee, No.

action following his hot battle with Evans yesterday did not help Francis Ouimet in his match with Woody Platt of Philadelphia. Platt was supposed to be almost a set up for the former national champion. Instead he proved to be a hard opponent fighting every spot of the 700 yards. He finally finished the first round all even with his formidable opponent.

This match like the other was poorly played, although Oulmet anaged to run down several long putts at opportune times, especially at the short sixth where he held a 30-footer for a birdle two.

The match stood all square at the turn and neither Platt nor Ouimet could gain a lead. Ouimet's medal score was 82. Platt's was 85 HERRON PLAYS BEST GOLF OF

THE ROUND. The best golf of the round was flashed by Davy Herron, Oakmont Club champion, who went to the Club champion, who went to the water-logged course like a duck and shot around in a sensational 75, equalling par figures for the difficult links.

W. J. Thompson, Canada's leading amateus, was helpiess against this and trailed Herron home sight holes. Bill Fownes, veteran former national title holder and another Oakmont Chub candidate for stellar honors, finished two holes to the good over George Hoffner, star Philadelphian. This was a see-saw match, but Fownes generally had the best of it. Fownes went around in \$2 to Hoffner's

URITY is the corner stone in the Building of LOFT Sweets. It was the Pioneer factor which to-day is responsible for the incomparable excellence of the candy for which Manhattan's chousands eagerly clamor every business hour of the day. In the early days of the firm, we were obliged to take the word of the salesman for the Quality of the materials purchased. But to-day, after the Purchasing Agent listens attentively to all the Salesman has to say concerning his goods, whether or not the materials are good enough to enter the manufacture of LOFT Candy is determined by the skilled hands of an Expert Analytical Chemist in charge of a modern and thoroughly equipped laboratory. This is our newest step to maintain the High Quality Standard of LOFT Candy. URITY is the corner stone in the Building of LOFT Sweets.
